## Happy 4th of July!

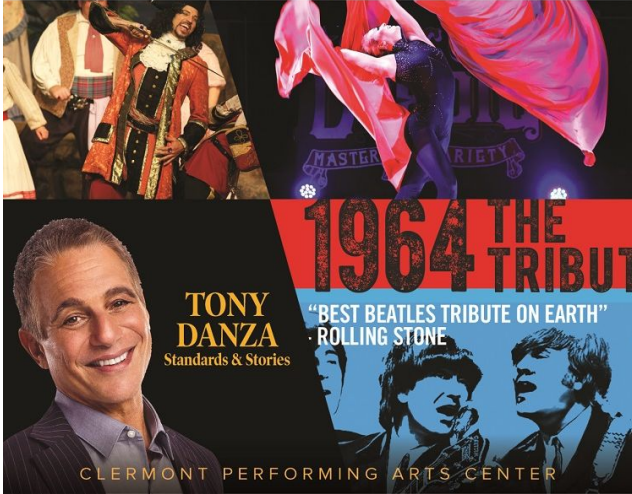

Join the City of Clermont for the best Independence Day celebration around! Red, White & Boom will be from 6-10 p.m. July 4 at Waterfront Park. Don't miss the fireworks show at 9:15 p.m. Free admission, family activities, free shuttle service and live music by SWITCH Back to the Eighties. To top it all off, Kayslin Victoria of Season 16's "The Voice" will perform the National Anthem. See you there!

## Master Plan Updates

The City of Clermont is delivering on its promises with its award-winning Master Plan. We share frequent updates at [www.ClermontFL.gov/MasterPlan](http://www.ClermontFL.gov/MasterPlan), but here are some highlights:

- **The Boat Ramp** is under construction with plans to open by the end of 2019. (See rendering above.) The new, larger boat ramp will be located just east of Waterfront Park, freeing up space for the expansion of Victory Pointe. First up, we plan to complete a trail bypass this month.
- **City Limit Gateway Features** are being built on State Road 50 at its intersections with Lake Boulevard to the east and with 12th Street to the west. Look out for these to be finished this month to better delineate and demarcate our city from surrounding areas.
- **The Clermont Wi-Fi Trail** is live in limited locations along the South Lake Trail. By the end of this year, the coverage area will include the waterfront portion of the trail, as well as the downtown core.

- **Kehler Recreation Center**, a new senior facility on the east side of Downtown, is nearing completion with a summer opening anticipated. Look out for announcements.
- **Victory Pointe**, the first major project completed in the Master Plan, is successfully being utilized as an event site, a popular park and a stormwater treatment facility. It will be expanded to maximize its potential once the boat ramp is moved.
