Master Plan Updates

The City of Clermont is delivering on its promises with its award-winning Master Plan. We share frequent updates at www.ClermontFL.gov/MasterPlan, but here are some highlights:

- **City Limit Gateway Features** (shown above) have started construction and will go up on State Road 50 at its intersections with Lake Avenue and with 12th Street.
- **The Boat Ramp's** project bid was approved by the Clermont City Council on May 28 and construction starts this month, with an estimated completion by the end of 2019.
- **Kehlor Recreation Center**, a new senior facility on the east side of Downtown, is nearing completion with a summer opening anticipated.
- **The Clermont Wi-Fi Trail** is live in limited locations along the South Lake Trail and has a projected completion by the end of 2019.
- **Victory Pointe**, the first major project completed in the Master Plan, is successfully being utilized as an event site, a popular park and a stormwater treatment facility.
